

"ROWNEY GREEN CELEBRATES"

On Saturday 4th June 2022 the much delayed and long-awaited Peace Hall Centenary Fete and celebrations took place on the village Park.

Dorothy Snaddon was the guest of honour and arrived in style to officially open the event. A Centenary Oak was unveiled to be planted in the Park to mark the occasion and provide a lasting memory of 100 years of our Village Hall.

The celebrations included a well attended dog show, a wonderful display of vintage and more modern vehicles, an excellent display by the historical society in the pavilion and many stands and activities including a tea and cake and a Beer and Fizz tent. A wonderful display of model boats attracted much interest. The Tug of War attracted a lot of interest and at one stage it seemed the whole village was involved!

We thank the team of volunteers, who planned and worked so hard to deliver the event. We also thank the local companies who so generously supported and sponsored the event, these included..... Windsor Carpets, Paul Chadderton electrical services, Village Financial Solutions Ltd, MD Artisan Landscaping, Minuteman Press (Redditch), Damar Security Systems and Contech Construction Ltd.

Our focus was to ensure that all had a great celebration and it was well supported and enjoyed by everyone. As a result, the Park will benefit financially and the Trustees have allocated £600 to help towards the running costs.

SAVE THE DATE..... It has been agreed that there will be another Village Fete in 2023 and the 15th of July will be the date.
