

Privacy Notice

The Rowney Green Association (**RGA**) is a voluntary association representing the residents of Rowney Green and its immediate environs. The aims of the organisation are set out in the Association's Constitution.

We collect a very limited amount of personal data:

- **Your Name**
- **Your Property Name (or Street/Number)**

We do not collect or store any other personal information such as phone numbers, email addresses, or financial details.

This information is used solely for the purpose of maintaining a register of which properties are members (and which are not), and to enable us to remind members that their annual subscription is due, and to match said subscription payments with properties.

We will never use your information for marketing purposes, sell it to third parties, or share it with other organisations unless required by law.

The information is kept on a spreadsheet held by the Treasurer and no one else.

This information is kept for as long as you are a resident of Rowney Green. If you move away from the village, your details will be securely deleted/destroyed within 3 months of being notified.

We will comply with any request from a resident to have their information removed from the register. If you wish to make such a request, please email the Treasurer (rowneygreenassociation@gmail.com)
