Note from the Editor

Hello again,

I hope everyone is keeping well. It is so lovely to see the daffodils making an appearance around the village. They really do make you feel like spring is in the air.

I hope those of you that went to the barn dance had a fun evening and that it was a great success. Ace team have another event lined up in April which will no doubt be popular so make sure you get your tickets for that. Lots of info inside from our RGA and some asking for your input so please do take the opportunity to have your voice heard.

A little note to add here this month, I quite often thanks all the volunteers around the village as we have so many people who give up their time for the community. Recently I heard of the sad loss of Sandy Jenkinson who many of you will know very well. She has been a trooper on behalf of the park and would be up helping on a Saturday morning come rain or shine. I want to take the time to say thank you to her for all she has done and she will be very much missed.

Till next month.

Louise

Looking for a peaceful time away and need a baby/dog sitter?

My name is Sophie May, I am 16 and I have lots of prior experience with all age groups of children alongside experience with dogs. I am available all week nights and (almost!) all weekend with parent backup in the village, just in case of emergencies. Please contact me if you're interested.

Update from Rowney Green Park Group

We are deeply saddened by the passing of, Sandy Jenkinson, a most valued and treasured park group volunteer.

Rowney Green Park Group are incredibly sad to lose someone so special to us.

We send our love and sympathy to Sandy's family and friends and want them to know how grateful we are that Sandy chose to be part of the park group.

Sandy was a dedicated volunteer and supporter of Rowney Green Park, she gave her time, energy and warmth so generously that it is difficult to imagine the park — or indeed the village — without her.

Whether helping to organise community events, tending to projects that improved our shared spaces, or simply offering encouragement and a friendly smile, Sandy embodied the true spirit of community.

She understood that a village is more than just a collection of houses — it is people looking out for one another, working together, and taking pride in where they live.

Sandy did all of that, and more.

Her commitment to Rowney Green Park in particular leaves a lasting legacy. Thanks to her support and enthusiasm, the park has remained not just a green space, but a gathering place — somewhere children play, families meet, and friendships grow.

Many of the improvements and initiatives she supported will continue to benefit residents and visitors for years to come.

Sandy will be greatly missed, fondly remembered, and deeply appreciated by all who had the privilege of knowing her.

"Queenergy"

We are excited to announce that we have a fantastic Queen tribute band booked to entertain you on Saturday, 18th April! Please come and support this enjoyable event.

While we haven't designated a charity for any proceeds this time, our main goal is to cover the event costs, the ACE Team is committed to hosting events that bring enjoyable entertainment to our village community.

Barn Dance Update.

As of the time of submitting this article, our Barn Dance event has yet to take place! We're sure it will be an amazing night and enjoyed by all! Stay tuned for more information and an update in the next edition of the Calling Oak.

Thank you, as always, for your continued support!

**Best wishes,
The ACE Team.**

**Synopsis of the Minutes of the Rowney Green Association meeting on
Tuesday 20th January 2026 at 7:30pm**

The Rowney Green Association (RGA) meets in the Village Hall every two months to discuss village issues and respond to problems affecting RG residents. Membership is open to all RG residents with an annual subscription of £5 per residence.

RGA Committee: John Cypher (Chair), Andy Dunkers (Vice Chair), Michael Corfield (Treas), Wendy Easter, James McManus, Margaret Rollason, Martin Miller (Sec)

Email: rowneygreenassociation@gmail.com **Full minutes, attendees & information at**
www.rowneygreen.org/rga/

- An advert was placed in the Calling Oak for an RGA resident to apply for co-option as a Councillor on Alvechurch Parish Council (APC). A few people had shown interest. A note had been placed in the Calling Oak encouraging residents to maintain the foliage that can impinge on the pavements and roadways.
- John Cypher noted that the Remembrance Ceremony had been well attended and thanked the ladies from Lower RG who had decorated the memorial. Cllr Worrall had made a speech and recited a poem on behalf of APC.
- The RGA had tried over the last few years to get a 20-mph limit on the village section of RG lane but Worcestershire County Council (WCC) was firm in rejecting this. The new Reform led Council had also set up and then cancelled a County Highways review group to assess road safety. The best way forward for RG was to concentrate on improving the hazard warning signs on RG lane in relation to pedestrians and horse riders. RG needs to increase the number of 20mph stickers on recently replaced bins and Cllr Bailes had secured funding to help with this. James McManus pointed out that the 30mph sign on the Holloway needs to be repositioned as it is obscured. Cllr Bailes stated that WCC was very negative about 20mph limits and will not endorse 'signs only' 20mph limits. Cllr Bailes will enquire about the earlier WCC agreement through C/Cllr Luckman for dragon's teeth road markings on the Holloway and Martin Miller requested that a give way priority system needs to be implemented for the pinch point on the Holloway.
- Cllr Bailes and Michael Corfield had explored gritting routes and the filling of grit bins. Green bin filling had been agreed by Alvechurch PC. WCC's responsibility for RG's two yellow grit bins was close to being sorted.
- On Jan 15th 2026 Bromsgrove District Council (BDC) approved the Wain Homes application to modify Bordesley Hall to create 4 apartments and 3 houses. John Cypher will contact Wain Homes again about a special donation to RG for improving local amenities in lieu of Section 106 monies.
- Concern continues re contractors' vehicles accessing Bordesley Hall through RG and along Storage Lane. They are also ruining the side of the highway and the grass triangle at the junction of RG Lane and the Holloway. The RGA will contact the site manager, JR Davis and BDC planners about this as per the approved construction environment management plan.

- Helen Hawkeswood mentioned that the heritage wall restoration had not yet been addressed and there was concern that this might get forgotten allowing for further building to occur in its place.
- The consultation version of the National Planning Priority Framework (NPPF) proposes relaxation of green belt protection boundaries to support more development around railway stations. In preparing local plans assessments must be done to identify grey belt land. Bromsgrove DC has not publicly identified its grey belt land assessments and developers are putting forward their own views about grey belt, e.g. the planning application near the canal at Withybed. The suggested changes to the NPPF look to bring forward the possible development of site ALV001 (opposite the Alvchurch football ground) as identified in the recent BDC draft development strategy consultation.
- There had been some recent electrical power outages but once contacted the National Grid (NG) had attended within 30 minutes. NG continue to arrange tree work to avoid further line damage.
- The RGA had prepared a one-page 'Adverse Event Advice Sheet' for residents to use in types of emergency situations. This was approved for distribution from the RGA website and as leaflets from the Village Hall.
- John Cypher suggested interest in improvements to RG with benches, smoother paving, a bus shelter etc. could be explored by a survey of RG residents views using a list of possible choices and a box for free text suggestions. It was agreed to limit improvement suggestions to RG only and not for further afield in the parish. An online version of the survey would be available for completion and a box placed at the village hall to receive paper copies. Cllr Bailes could pursue funding for a bus shelter, in the light of the increased number of bus services to RG together with the school bus service, if this proved to be popular.
- APC Cllr Ruth Clarke is a representative for the Campaign for Preservation of Rural England and Wendy Easter is exploring the possibility of being a representative for RG.
- The recent violent attack at Seecham's Farm has triggered interest in how community camera surveillance might be of help in future. Rachel Nicholls (CCTV and Telecare Manager for BDC) had helpfully responded. They have 3 portable cameras available for temporary deployment, usually for <3 months, which can be permanent but at a cost. Camera placement has to be indicated by signage giving a deterrent effect. Cllr Bailes will liaise with Rachel Nicholls on this and RGA will consider making a formal application though the special form that envisages local police support.
- Finances as of 31st Dec 2025 were: £2,294.77 in the bank, £189.51 as cash, making £2,484.28 in total. £250 set aside for Newbourne Wood and £200 for bin stickers. 130 out of 196 properties were members in 2025 (66%). The RGA would pay the annual £75 membership for CPRE.
- A recent event requiring the RG village hall Defibrillator had difficulty in accessing the device. The Ambulance service says it is currently out of action and is being addressed by them. The unit case also needs some refurbishment.

- The APC has a 'Bleed Kits' initiative and a kit could be added to the defibrillator unit. Michael Corfield will pursue this and the defibrillator case issue with Sue Stevens at APC.

Future meetings: March 3rd, May 5th (with AGM), July 7th, Sept 1st and Nov 3rd.

Post Meeting Addendum: Following the RGA January meeting it has not been possible to find a suitable mounting point on RG Lane with a power supply to position a Bromsgrove Council CCTV unit approved for crime monitoring purposes. The RGA has suggested to BDC that given the number of rural areas in the District the provision of solar powered CCTV units should be considered.

Sassy Lassies

Our next meeting is on Thursday 5th March in the Village Hall — and this one is a little different. The evening is **open to all villagers, men and women**, and we are extremely fortunate to welcome

Professor Sir Keith Porter, who will be talking about his distinguished career.

Keith will share memories and stories from his career as a Trauma Surgeon at the Birmingham Accident Hospital and the Queen Elizabeth Hospital and his role treating injured soldiers from the wars in both Iraq and Afghanistan - work for which he was knighted.

The cost for **non-members is £5**, with all profits going to his charity **citizenAid**.

PLEASE NOTE: The March 5th meeting really *is* open to everyone — men and women alike — so spread the word!

Rowney Green Community Assistance Network

Adverse Event Advice Sheet

For use in any major or prolonged adverse event such as power outage, flooding, storm damage, fire, mains water / sewerage issue or major police incident that may affect all or part of Rowney Green.

Useful items to keep at home:

Bottled water

Torch and batteries

Some foodstuffs that do not require cooking

Enough pet food for your pets

First aid kit

Communication:

Consider joining the Rowney Green Chat +/- the Rowney Green Emergency WhatsApp groups.

Ensure rechargeable items such as phones and computers are sufficiently charged wherever possible.

Be aware of neighbours and other residents who may require additional support during an adverse event.

Specific adverse event responses:

Prolonged power outage (more than 4 hours) - the RGA will contact National Grid and post any updates on the WhatsApp groups.

The Village Hall Trustees may be able to make the Hall available for assistance if it has not been affected by the power outage or other incident.

If there is a major event affecting the village and further assistance is necessary, the Alvechurch Emergency Plan can be activated. This can provide personnel to help with getting medications/food/supplies to residents where needed, transportation to alternative places of refuge such as Alvechurch or Hopwood village halls and liaison with emergency services.

Useful information:

For power cuts and power emergencies.....0800 6783 105 or just 105

The National Grid Priority Services Network is a free service for those who need extra support, such as people who are elderly, very ill, disabled, or who rely on medical equipment.

By joining the Priority Services Register, you can receive benefits like a direct contact number during a power cut, a password to verify visitors, updates on planned interruptions, and special assistance through partners like the British Red Cross.

The electricity network provides electricity to your home and offers this free service to those with particular needs. To register for this network:

ROWNEY GREEN (RG) COMMUNITY IMPROVEMENT PROJECT SURVEY.

Dear Resident, from time-to-time funding from government, public bodies, housing developers or charities becomes available for community improvements.

The RGA would be more able to apply for funds directly, or through third parties like the Bromsgrove District or Alvechurch Parish Councils, if we had views from residents about the RG village improvements they would like to see.

This survey is intended to gather such helpful information about our village. Projects for which grants are needed, and also relevant permissions to proceed, will be considered at a meeting of the RGA.

Your house name

Please tick your TOP THREE items from the following suggestions:

1. Suggestion	Tick
Road safety: More appropriate road safety signage	
Resurfacing of existing footpaths within the village	
Attention to local countryside paths, eg bridlepath by Alpine Farm towards Alvechurch	
Buses: Installation of a bus shelter outside the Village Hall	
Aesthetics and environment: eg planters, shrubs, trees	
Aesthetics and environment: Ornamental gateway markers at each entrance to the village	
Information and communication: more news and views on local matters	

Please turn over

Do you have any additional village improvement suggestions?

(please describe)

This questionnaire is printed in the March edition of the Calling Oak or can be downloaded from the RGA section of the RG village website.

Please return your completed questionnaire by email to rowneygreenassociation@gmail.com or by posting in the post box in the village hall porch. Last return date is **20 March 2026**.

The RGA committee thanks you for your comments.

Message from Wendy Easter

Hi, I would like to introduce myself as the new Alvechurch Parish Councillor for Rowney Green and Bordesley.

I've lived in Rowney Green since 2013 and am passionate about this beautiful little village and the wonderful community we have here.

As a Parish Councillor I feel I will be able to represent Rowney Green residents more fully, putting a face to the village and provide a valuable connection between the village and the Parish Council. This will lead to increased and effective two-way communication which can only benefit all concerned.

I am often at the coffee mornings or the G&T on Fridays, alternatively, you can email me at wendy.easter@alvechurch.gov.uk

Need a helping hand?

If you have any odd jobs around the house or garden or need a babysitter, my name is Lucy Porter, I am 16 years old and would love to help. I am free most weekends, Friday nights and sometimes in the school holidays. I live on Rowney Green Lane.

Call or text me on 07494267570
for more information.

Got an issue or concern?
Need some advice?

POLICE 'DROP-IN' SURGERIES

Your police Safer Neighbourhood Team (SNT) will be holding several 1-2-1 'Drop-in' surgeries during the next few months. If you have any issues, concerns, or you would just like to speak to a member of the team for some crime prevention advice or some police advice in general, please pop along to one of the 'drop-in' sessions listed below for a dedicated one-to-one chat. Alternatively, if you cannot attend one of our sessions but you would still like to speak to us, you can still do so by emailing the Alvechurch and Wythall Safer Neighbourhood Team (SNT) at: aw.snt@westmercia.police.uk so we can then arrange a convenient time to come out and visit you.
