Note from the Editor

Hello again,

Autumn is now in the air and we find ourselves noticing the darker nights and the chillier start to the day. After the scorcher of a summer, it is nice to see the grass is now nice and green again although it is starting to get covered in the leaves which are starting to drop. I always love the Autumn as I think the nice Autumnal days take some beating with the beautiful reds, yellows and oranges that nature highlights at this time and the sound of the crunchy leaves underfoot is so lovely. Until the first frost comes and then I am ready for it to be over.

Preparations are being made for this years 'Lights up' on the first Sunday in December. More details to follow next month but please start collecting any tombola prizes, produce, kids prizes to donate. All details will be provided soon but please do think of this event if you are having a sort out. This is also a great event as it is always so well attended so if you do feel like getting involved then just drop me an email (editor@thecallingoak.co.uk) or drop a message on the whatsapp and someone will point you in the right direction.

It's a full edition again and do look through to see if any of the events take your fancy and get up to date with all that has been going on. If you do have anything to contribute then do send them to me. Always happy to have your input.

Till next month.

Louise

Happy Birthday

Daniel Stilwell
Freya Jag Ryszkowska
Stanley Appleyard
Wishing you a great day

To add your child's birthday to future editions, please email the editor.

The 100 club

100 Club August draw results

- * 1st Prize £25 No 8 Judy Hallam
- * 2nd Prize £15 No 15 Pam Williams
- * 3rd Prize £10 No 158 Karl
- * 4th Prize £5 No 69 Cara Bayliss

Congratulations to all the winners and thank you all for your support of the Rowney Green Park

Will Savage

Total sales for the last 12 months was £2,060

Less prize money of £715

Net proceeds to the park of £1,345

This money will be used towards the replacement fence around the childrens play area.

Celebrating progress at Rowney Green Park

We are delighted to share some positive news about Rowney Green Park and the Green Barn.

We have successfully secured partial funding to repair and improve the path leading from the Village Hall car park to the tennis courts and Green Barn. The improved path will also extend further around the perimeter of the tennis courts, where we hope to be able to install a new gate providing step free access allowing anyone who finds the steps difficult to use the alternative gate and enjoy easier access to the courts.

Our original plans also included repairing the area immediately outside the Green Barn. Unfortunately, the funding awarded was not enough to complete this section at the same time. However, we remain committed to improving this area and will continue to explore other grants and funding opportunities.

As always, donations towards the upkeep and improvement of the park and Green Barn are very gratefully received. Every contribution, large or small, helps us care for these valued community facilities.

We are also pleased to announce that the booking arrangements for the Green Barn and Rowney Green Village Hall have now been brought together and coordinated. This is one of several steps we hope to take to enable the Green Barn and Village Hall to work more closely together for the benefit of the whole community.

We warmly invite everyone in the village to attend an open community meeting:

Thursday 15 October 2026
Rowney Green Village Hall
Time: 7pm

The meeting will be an opportunity to celebrate what has been achieved, hear more about the path improvements and discuss potential plans to insulate the Green Barn.

The purpose of insulating the Green Barn is so that all the positive and enjoyable activities held there can continue throughout the year—not just during the warmer months.

The barn is home to children's birthday parties, our Girl Guides and Brownies, the Saturday volunteer group and a variety of other community activities. Insulation would create a warmer, more comfortable and welcoming environment, allowing even more local groups and residents to enjoy the space all year round.

It would also help protect the many valuable items stored inside the barn. These include children's play equipment, equipment and resources used for our annual village fete, and the precious and historically important documents and resources belonging to the Rowney Green Historical Society.

By insulating the Green Barn, we can protect both the activities happening today and the important pieces of village life and history that we are preserving for the future.

Whether you already volunteer, use the facilities regularly or would simply like to learn more, everyone is very welcome.

So that we can answer your questions promptly and accurately please submit them in advance of the meeting to thegreenbarnrgp@icloud.com

Looking for a peaceful time away and need a baby/dog sitter?

Hello All!

We have an exciting new update to our advert this month! Florian will now also be available for dogsitting/dogwalking, so if I am away with any events or University (from September), I will pass on any messages to him, so hopefully one of us is always around to help you out!

I have lots of experience with children of all age ranges and we both have lots of prior experience with dogs. We are available on both weekends and weekday evenings (and some weekday afternoons - if in doubt feel free to ask!).

Please contact us if you're interested.

For more details, you can reach us on 07512 757 434.

Thank you,
Sophie and Florian :)

ROWNEY GREEN THEATRE GROUP

Are looking for someone to take over as our sound technician.

The role would mean attending some rehearsals (Monday Nights) and our production nights of 19th, 20th and 21st November

We are a small and friendly group who put on our productions in the village hall.

Anyone interested, please contact Sue Walker 07977 254519

Synopsis of the Minutes of the Rowney Green Association meeting on Tuesday September 1st 2026 at 7:30pm

The Rowney Green Association (RGA) meets in the Village Hall every two months to discuss village issues and respond to problems affecting the RG community. Membership is open to all RG residents with an annual subscription of £5 per residence.

RGA Committee: John Cypher (Chair), Andy Dunkers (Vice Chair), Michael Corfield (Treasurer), Wendy Easter, James McManus, Margaret Rollason, Martin Miller (Secretary).

Email: rowneygreenassociation@gmail.com **Full minutes and AGM minutes are at**
www.rowneygreen.org/rga/

Abbreviations: Worcestershire County Council (WCC) Alvechurch Parish Council (APC) Bromsgrove District Council (BDC)

- Michael Corfield confirmed that the yellow (ex WCC) grit bin on Chapel Lane had been adopted by APC.
- Parking availability in Alvechurch village centre is on APC's Planning & Highways agenda for w/c 7th Sept. Cllr Alan Bailes has returned the draft report on parking requested by BDC to the consultants to address review points. Extra spaces should be made available in the Tanyard Lane car park (BDC owned).
- The Bordesley Manor site manager and Bristol based planning manager had been invited to speak at the meeting. Disappointingly, there was no response from either. Steff Affleck had spoken to the site manager on behalf of the RGA and John Cypher read out a summary of Steff's notes. Discussion focussed on £271k of £106 monies (paid by developers for local services expansion/ improvements) and where they were being allocated. Attendees raised various points about related traffic issues. The committee will collate questions on behalf of the RGA membership and put them to Wain Homes.
- Wain Homes had commissioned a firm of civil engineers, supported by arboricultural specialists, to investigate options for restoring the unlawfully demolished Heritage Wall. The report is available on BDC's website. In summary the remaining sections of the wall were in less than perfect states of repair and digging foundations for the replacement section may damage tree roots, potentially impacting stability of nearby trees. Reinstatement was possible but no guarantee could be made on longevity. Reinstatement should have happened before occupation of the new homes begin (the end of September). John Cypher had written to BDC to requesting the wall be fully replaced with no response. Cllr Bailes will chase this. Cllr Hornsby asked who will own the wall. As Bordesley Manor residents will pay a maintenance charge, it is assumed that a residents' management committee will be formed and the heritage wall would be in their purview.
- An RG resident suggested a notice board be put up within the new development so various village groups could promote their events. It was agreed this was a good idea and the RGA will ask if Wain Homes would be willing to finance this.

- Cllr Easter/Cllr Bailes confirmed that the land owner was happy for surface improvements to be made to the footpath/Bridleway by Alpine Lodge Farm. The next step is for WCC to specify requirements, noting that this is an equestrian route, and then a view can be taken on financing, its sourcing, and whether the Alvechurch Footpath Group (local volunteers) could do the work. Ideally this would be resolved/actioned before winter.
- Michael Corfield will order the daffodil bulbs for distribution in October. An update will appear in the next Calling Oak.
- The RGA's suggestions for improved RG Lane signage had been sent to Cllr Bailes, who confirmed these were now on the WCC portal. In principle, funding is available for these changes. John Cypher updated that the '20 is plenty' national campaign group are lobbying Government to make 20 mph the default especially in villages where pedestrians have to walk in the roadway. Local councils would need to prove why that wouldn't be suitable in individual cases. Cllr Bailes said WCC independent councillors had submitted a proposal that 20 mph be the limit in all new housing developments,
- The RGA propose a mandatory 'Give Way to oncoming traffic' sign and road markings be added for vehicles travelling down The Holloway to clarify what is already in the Highway Code. Cllr Bailes has submitted it on the WCC portal.
- John Cypher has proposed that about 62m of the RG village footpath be resurfaced from available WCC funding and this request is with Cllr Bailes for consideration.
- The RGA committee broadly endorse BDC's proposals on aspects of the production process for the new district plan and will respond by the end of the week. The RGA applaud the amount of community engagement proposed. Cllr Worrall confirmed that APC had submitted their comments.
- A new part of the revised National Planning Policy Framework is the presumption in favour of housing development around railway stations, which is in line with the BDC ALV001 proposal and as later improved by the Parish Council. Cllr Worrall said APC had anticipated this in their responses to the proposed ALV001/rail station development but challenged the number of houses and stressed the need for supporting infrastructure, including parking.
- Worcestershire Wildlife Trust (WWT) had recently issued a draft management plan covering all of their sites. For Newbourne Wood this included the taking out of conifers and reducing the number of non-native mammals (e.g. muntjac deer, grey squirrels). Cllrs Hornsby and Easter will meet Tom Watkins from WWT at Newbourne Wood w/c 7th Sept to discuss.
- The recent events in Stourbridge had focussed RG minds on wildfire risk. It was agreed that RG is at some risk given the number of fields and woodland surrounding homes. Cllr Worrall confirmed this was already on APC's radar and that he had asked Cllr Easter to produce a report as the basis for considering recommendations for RG to be made at future RGA meetings. This will also be discussed with WWT (vide supra).
- Cllr Clarke reported that regarding who manages content on the TikTok Alvechurch Youth Voice, a WhatsApp group discusses in advance what content will be covered but there is no APC

- policy per se. As well as the risk of inappropriate content it was further noted that there is also a risk to the young contributors from inappropriate comments being posted.
- Cllr Clarke said the possibility of National Grid moving overhead lines underground at the RG Spinney remains open.
- Cllr Worrall reported that within APC the responsibility for the Neighbourhood Priority Statement had now passed to Cllr Kate Van Der Plank. John Cypher is also part of the APC working group and he noted the pleasing 'can do' attitude being displayed. Cllr Worrall commented on the topic of green belt around the Alvechurch village boundary being redesignated grey belt. The appeal re "in principle development" of a small site at Withybed had now been approved by the Planning Inspectorate. Similarly, planning officers have recommended for approval the development of a paddock on Dagnell End Road. With no current District Plan and no identified 5-year supply of land for housing it seems that any proposed under 10 dwellings development on a small site on the edge of a village could be deemed grey belt and hence approved in principle. Rowney Green itself is less threatened due to the lack of supporting infrastructure; in the jargon it's not a sustainable location.
- Finances as of 1st September 2026 were £2,831.58 in the bank, £140.00 as cash making £2,971.58 in total. Outstanding payments are £120 support for the Calling Oak and £400 purchase of bulbs.
- Next meetings are on Nov 3rd, then 2027: Jan 5th, March 2nd, May 4th

Rowney Green Lamb

Would you like to try our locally reared lamb? Available to buy late Oct/early Nov but taking orders now.

Comes butchered with joints individually boxed, so ready for you to put straight in the freezer.

£180 for a whole lamb or £95 for a half.

Call, text or email me to discuss.

Sunday 6th December

ROWNEY GREEN LIGHTS UP 2026

At the village hall—more details to follow

If you would like to volunteer to help then please get in touch with the editor or come along to our next meeting on Friday 9th October in the village hall meeting room. 7pm

Update from the Village Hall Trustees

Thank you to everyone who attended the Village Hall AGM on 29 June. There was a great turnout with over 60 people coming along. At the meeting, Louise Croxton, Andy Free, Will Savage, Sue Stevens, Gayle Stilwell and Tony Wallis were elected as Village Hall Trustees for the coming year. Brian Steele continues as the minute taker.

We extend our thanks and gratitude to Mark Easter, Nan Fellows and Karen Wild for all their hard work and commitment as Trustees over many years.

Since the AGM, Andy has decided to step down as a Trustee and as Hall Treasurer. We also extend our thanks to Andy for all of his dedication and hard work in these roles over many years. We are delighted to share that Louise Alcock will be taking up the Treasurer role during the autumn.

Andy Dunkers will be our new independent examiner of the annual accounts, taking over from Sadie Dykes who we also thank for her many years of support.

A few updates on recent progress and upcoming events:

Upcoming festive event! - Yes it's that time of year again...We are delighted to announce that the traditional start of Christmas, 'Lights Up', will take place on Sunday 6 December.

Grant funding - We are very pleased to announce that we have secured a grant from Bromsgrove District Council which will enable the Park group to replace the crumbling old footpath from the Village Hall to the Green Barn in the Park and to create disabled access to the tennis courts.

A second grant is being sought to enhance the Green Barn. There will be a 'drop in' meeting at the Hall on 15 October from 7pm to give villagers a chance can learn more.

New Hall booking system - Tony Cowles, Michael Corfield and team have worked hard to introduce a long overdue automated booking system for the Hall which will acknowledge, automate and streamline invoicing. The new system, which is now live alongside the old system, will also tie in the bookings for the Park and the Green Barn. Huge thanks to the delivery team for their hard work on this. T

The new system cannot however replace the human touch and we thank Annie Cowles for her excellent work in continuing to introduce new and potential users to the hall.

Community survey re Social room and outdoor space

In the Spring, we invited views on your experiences using the Social room (used by the Goat & Trousers (G&T) and the Coffee Shop) and the outdoor space (area directly outside the Social Room door).

72 respondents completed the survey, representing around 20% of adults in the village. This is a brilliant response - thank you to everyone who took the time to complete it.

We've taken time over the summer period to review all the data and comments. Main headlines are that combined usage was most popular with nearly half of respondents visiting G&T and Coffee Shop. 56% and 30% said their experience using the Social Room is 'good/excellent' and 'ok' respectively. 42% rated their experience using Coffee Shop as 'good/excellent' and 32% as 'ok'.

There were also over 150 separate comments relating to potential areas for improvement in both spaces. Key themes related to improving the amount and comfort of seating and tables, lighting and décor in both spaces.

To take this insight forward, we'll be setting up a working group to discuss improvement ideas, carefully considering that they are used by different groups at different times.

If you're interested in getting involved in the conversation, please message Gayle Stilwell on 07988 691939 by 17 October. We'll keep you posted on how this develops.

ROWNEY GREEN HORTICULTURAL SOCIETY

meets in the Village Hall on the second Thursday of each month at 7.15pm.

On **Thursday 8th October** we welcome **Pip Smith** as our Speaker and his topic is

"Totally Tulips"

an inspiring lecture on creating colourful spring displays in our very own gardens.

Pip is a Landscape Designer with over 16 years experience working with the horticultural industry and is a member of the Chartered Institute of Horticulture. He trained to degree level in horticulture at Pershore College and achieved an MA in Landscape Architecture with distinction from Birmingham City University.

Guests are welcome £3.50 including coffee and biscuits.

Should you require any further information please do not hesitate to contact Lindsay Smith on 01527 892874.

For more information please do not hesitate to contact Lindsay Smith on 01527 592874,

Tickets Only £10pp

Includes a plate of Indian Savouries & Salad

A big welcome to new residents at Lychgate, Caroline and Mick Skerrett. Give them a wave if you see them around.

We hope you will be very happy in your new home.

Rowney Green Shared Church

A short update of what has been happening at the chapel over the last few weeks. Firstly, we have loved being able to give a big Rowney Green welcome to our new permanent Minister Rev Rachel Borgars who held her first service at the Chapel on 20th September.

There have been a few maintenance activities going on at the Chapel in September including regular housekeeping which has benefitted from the purchase of a brand new vacuum cleaner funded entirely by donations and sourced by Nick and Stevie Prosser. Rick Chima has been working away on getting the meeting room ceiling repaired following an earlier water leak damage and the grounds have benefitted from a good haircut and tidy up by the working party (Rick, Andy and Will).

October's service will be led by Ian Athey who is a lay preacher. This is another example of how the Chapel is growing in confidence and substantiating its place on the Local Ecumenical Partnership Circuit by hosting services from both the Methodist and Anglican ministries which will be led by ordained clergy and lay preachers. There are even discussions on hosting an occasional congregation-led service.

We are not yet in a position to open the Chapel building on a daily basis as we once did, but the gardens at the back are available at all times and are a lovely place to sit and enjoy the peace and calm. Please do come and take advantage of this whenever you are passing, everyone is always welcome.

Introducing the new Superintendent Revd Rachel Borgars

Rachel took up her appointment as Superintendent in the Circuit in September 2026, having previously served in the York & Hull, Bristol and Southampton Districts. She trained for the ministry at the South East Institute for Theological Education on a part-time course and was ordained in 2000.

A native of Huddersfield and proud of her northern roots, Rachel studied European Studies and French at the University of Kent at Canterbury and also met her husband, Martin, to whom she has been married for forty years. Prior to entering fulltime ministry, Rachel worked for the Home Office in London in a variety of roles, which has provided some vital training in 'people skills' which she has made good use of as a presbyter.

Away from work, Rachel enjoys music, family history and supporting Bath Rugby.

She can be contacted on email rachel.borgars@methodist.org.uk or office no 01527 864383

Hi Everyone,

I hope you have had a good summer and not suffered too much with the extreme conditions we have had.

As I have been an APC Councillor for Rowney Green and Bordesley for a few months now, it seems a good time to give some updates on the issues that concern Rowney Green residents that I have been able to assist with. I do try to put out information on the Chat and the Village Facebook page but not everyone has access to those.

Being a member of the RGA committee as well as being a Councillor has proved invaluable for promoting the topics that concern us up here and feeding back what assistance we can have to address them. I am also very happy to say that I have an excellent relationship with both Cllrs Alan and Rachel Bailes who as you probably know have a deep affection for Rowney Green as well as Bordesley and have helped the village out in so many ways. I also sit on the APC Youth, Sports and Recreation Committee (YSR) which is responsible for the oversight and management of all the parks, children's play equipment, community buildings, grit and dog bin services, allotments and other open spaces in Alvechurch Parish.

Fly Tipping

Fly tipping in general but on Storage Lane in particular is a great concern to me. Talking to residents at the coffee morning proved it was obvious that it upsets pretty much everyone. I raised this at Council and following some work and meetings with the Worcestershire Regulatory Services, we were able to take steps (warning signs and cameras) to monitor the areas on Storage Lane and since then, there has been no fly tipping.

Grit Bins

There are two types of grit bin in the village; green ones that are owned and managed by the APC and yellow ones that WCC own and are responsible for. The yellow bins had not been serviced for some time and this was something that the RGA had been working on, including requesting the APC adopt the yellow bins. The APC were aware of the grit bins issue and my part in this is very small, but I managed to keep it on the YSR agenda and explain in person just how steep the road is and why the grit is vital to the residents. With the RGA persistence – namely Michael Corfield - the yellow grit bin on Chapel Lane has now been formally adopted by the APC.

The Bridle Path

Another example of the “two-pronged attack” is the repair of potholes in the bridle path into Alvechurch. Speaking with residents about the path, it was clear this is something many were keen to see repaired. After doing some background work on the path, I raised the issue with the APC. Council support and involvement allowed me to formally approach Cllr Alan Bailes to investigate further. To cut a very long story short, the joint approach from the APC, the RGA and Cllr Bailes has brought us very close to seeing this project started. Watch this space!

Newbourne Wood

Recently I was made aware that a Management Plan for Newbourne Wood had been prepared by the Forestry Commission and sent to the APC for consultation. The plan covered

A number of Wildlife Trust sites and contained elements that were not appropriate for Newbourne Wood. I am happy to report that after raising concerns with the YSR committee, a meeting was arranged with the WWT Reserve Officer and we have been assured that these elements (such as deer culling) will not be adopted in Newbourne Wood but that ongoing, considered management of the trees will take place.

Extreme Hot Weather Response

Following the coverage of the terrifying and devastating results from wildfires over the summer, I was approached to take the lead in formulating a plan to address extreme hot weather conditions and wildfire risks on behalf of the APC. This is a work in progress at the moment but will cover all areas of the Parish with specific advice and suggestions for each individual area.

Other points I have raised at Council on behalf of residents include, the parking problems in Alvechurch Village, reporting incidents of crime in Rowney Green, speeding and traffic concerns on the Holloway.

I hope you have found this update helpful. I know with my chats with people at the G&T, the coffee morning or whilst out and that these are things that mean a lot to Rowney Greeners so it is good to keep up to date. If you want to discuss these projects or have other concerns, please come and chat! Have a good October!!

Wendy Easter

Rowney Reads Book Club

*the idea of Sassie Lassies,
based on their recent successful
one-off Book Club evening.*

You are welcome to come along on
Wednesday 11th November, 7.30 - 9.30 pm,
at Bleaklow (Ruth's house),
to discuss the novel *Broken Country* by Clare Leslie Hall.

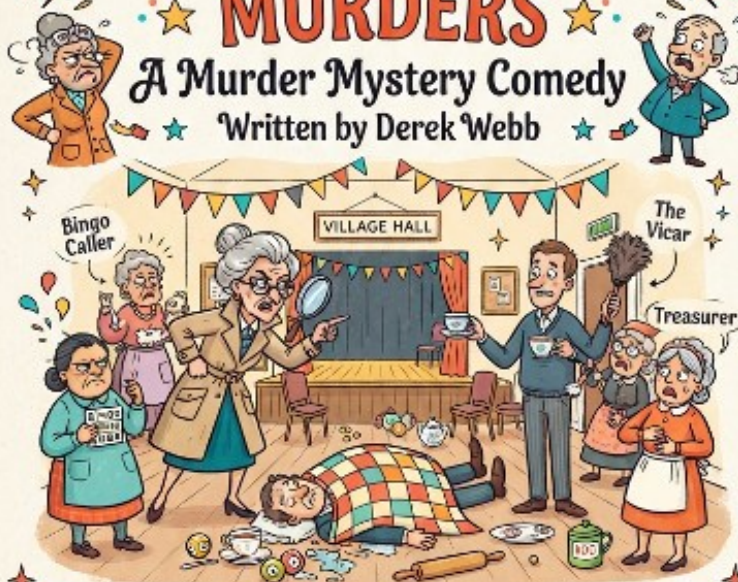

Bring your own drinks and glasses.
